Description

Beautiful like-new home offering 4 bedrooms plus loft, including a full bedroom and bath downstairs along with an additional half bath for guests, for a total of 3.5 baths. With approximately 2,787 sq ft of living space, this home features an open concept floor plan ideal for both everyday living and entertaining. The downstairs living area showcases luxury vinyl plank flooring, while the kitchen is equipped with quartz countertops, custom tile backsplash, stainless steel appliances with double oven, a spacious island, and pantry. Adjacent to the family room is a convenient nook area perfect for a home office. Upstairs you'll find a large loft providing additional flexible living space, along with a grand primary suite offering great hill views. The primary bath features tile flooring, a soaking tub, separate shower, double vanity, and a walk-in closet. Situated on a large lot backing to open space with scenic hill views, this home offers privacy and a peaceful setting. The extended driveway provides ample additional parking, and the covered patio creates the perfect outdoor space for gatherings and relaxation. Complete with a spacious 3-car tandem garage, this well maintained and move-in ready home combines modern upgrades with a highly desirable location.
