Description

Welcome to 1803 Waterford Place, a classic and elegant two-level home offering 4 bedrooms, including 2 masters, and 3.5 baths of well-designed living space. Built in 1992, this home makes a striking first impression with new stained French doors opening to a welcoming two-story foyer highlighted by an upstairs balcony. This home has been recently updated with new paint colors throughout the home. Enjoy the large living room with arched windows with plantation shutters and formal dining room with crystal chandelier. Beautifully updated kitchen with granite countertops and stainless steel appliances and built-in desk. Relax in the large family room with gas log fireplace. The upstairs master suite impresses with tray ceiling, hardwood floors, and plantation shutters.
