Welcome to 113 Deerglen Circle a charming tri-level home that beautifully balances thoughtful upgrades with genuine warmth. Built in 1991 and refreshed over the past decade, this spacious residence features five generous bedrooms, three full bathrooms, and a versatile loft, making it perfect for every stage of life. As you enter, the vaulted ceiling and wide windows invite natural light, creating an airy ambiance. The tri-level layout includes a full bedroom and bathroom on the lower level, providing an ideal space for guests or multigenerational living. Upstairs, the freshly painted and carpeted bedrooms (2025) await, while the remarkable primary suite has been thoughtfully reimagined with custom tile, a new vanity, updated countertops, and a refreshed shower. The updated kitchen is a culinary delight, featuring granite countertops, stainless appliances, a cabinet pantry, and a bright breakfast area that's perfect for casual dining or entertaining. Luxury vinyl plank flooring flows seamlessly throughout the main living areas, complemented by brushed nickel hardware for a modern touch. Practical upgrades enhance the home's appeal, including a newer water heater and replaced water softener (both 2025), central vacuum, EV charger, smart lighting, a Nest thermostat, Renewal by Andersen windows, and a spacious 3-car garage with app-controlled access. Step outside to discover a remarkable backyard, a true labor of love cultivated over more than a decade. This edible landscape boasts an extraordinary collection of fruit trees and plants, including lemon, grapefruit, mandarin, two peach varieties, apple, pear, Asian pear, fig, cocktail tree, champagne and table grapes, blueberries, blackberries, raspberries, dragon fruit, banana, and more. Extended patio complete this unique outdoor oasis. A home that has been genuinely cared for and continuously improved, ready for its next chapter.
