Description

55+ Community. The seller is offering a \$10,000 credit toward the buyer's closing costs, if the property is under contract by July 31, 2026. This is a very special, private, comfortable, sun-drenched, very large, open layout home of over 2,600' (and a loft) and 2 bedrooms and a full bath on the 2nd floor. Perfect for multi-generational living*. Its lake view exudes warmth and artistry. It sits on a large lot at the end of a cul-de-sac within the Estate Residences of Indian Spring, a gated community with 2 golf courses. On the main level, there is a Primary Bedroom with sliders to the screened-in porch, a step-down shower with a magnificent stained-glass window in the en-suite bathroom, and large closets. Also on this level is a sun-lit comfy family room, a living room with a cathedral ceiling and high windows, a huge dining space with a built-in bar, a large eat-in kitchen with sliders & laundry room. Look up to the loft, which is used as an art studio with sliders to an upper sunset deck. Walk further to 2 more bedrooms and a full bathroom. Oh, did I mention the beautiful lake and golf-course view? Such a unique opportunity to own this beautiful 2-story home rarely comes along. Take advantage of the social amenities of this gated community, if you choose, or use the 'local' pool within the section. The choice is yours. *Multi-generations (must be 18 and over are welcomed}, as are pets.
