## Description

Set along a premier stretch of the Huntington Club Golf Course within the guard-gated enclave of The Peninsula, this exceptional coastal residence captures sweeping fairway views, vibrant sunsets, and an ideal orientation that fills the home with natural light throughout the day. Positioned on a quiet interior street with no residences directly opposite, the property offers enhanced privacy and a heightened sense of openness. All just moments from neighborhood parks, scenic wetlands trails, the shoreline, and award-winning SeaCliff Elementary School. Spanning over 3,000 square feet, the thoughtfully designed floor plan includes four bedrooms, with a desirable main-level suite, and an upstairs loft ideal for a home office or secondary lounge. The family room, anchored by a fireplace and custom media cabinetry, opens seamlessly to the kitchen and outdoor living spaces. The recently refreshed kitchen features quartzite countertops, premium stainless steel appliances, a generous breakfast bar, and a sunlit breakfast nook overlooking the golf course. Upstairs, the expansive primary suite enjoys sweeping fairway views from a private balcony and a beautifully remodeled bath with dual vanities, walk-in shower, Japanese soaking tub, and a spacious walk-in closet. Secondary bedrooms are generously sized and share an upgraded bath. The rear grounds are designed for relaxed coastal living and entertaining, complete with a built-in BBQ center, professional hardscape and landscape design, custom lighting, and low-maintenance finishes—all set against tranquil golf course vistas.
