Description

Welcome to this beautifully remodeled home in the heart of Fountain Valley, ideally located near Bushard & Heil, Mile Square Park, Vietnamese restaurants, shopping centers, top-rated schools, and easy access to the 405 Freeway. Located in a quiet and desirable neighborhood, this home offers comfort, convenience, and everyday lifestyle. Situated on an approximately 7,500 sqft corner lot — a generous size for central Fountain Valley — this rare opportunity offers added privacy, excellent curb appeal, and dual access from two different directions, a unique feature seldom found in the area. Spacious side yard offers potential RV parking. This move-in ready residence features 4 bedrooms and 3 bathrooms with a bright open-concept layout and tasteful upgrades throughout. The remodeled kitchen showcases quartz countertops, a black quartz island, soft-closing cabinetry, and stainless steel appliances. Additional highlights include luxury vinyl flooring, recessed lighting, double-pane windows, sliding glass doors, and a cozy gas fireplace. The backyard features an open patio and gas fire pit, creating a perfect setting for entertaining or relaxing with family and friends. Large lot homes in central Fountain Valley are becoming harder to find — especially ones that are fully remodeled and move-in ready.
