Description

This stunning new construction home by DJF Builders captures the essence of sophisticated living. With elegant washed brick exterior and striking architectural gables, this design seamlessly blends classic charm with modern sensibilities. An expansive open-concept layout defined by soaring ceilings and an abundance of natural light. A gourmet kitchen serves as the ultimate culinary retreat, featuring a massive center island and a hidden scullery or pantry for effortless organization. This space flows into a grand living room and a dedicated dining area, creating an ideal setting for hosting and connectivity. The luxurious owner's suite on the first floor, provides a serene escape with a spa-inspired ensuite bath and a large walk-in closet with with a niche for a stackable washer and dryer. A secondary guest suite or study is also located on the main level, offering guest convenience. The home features a rare elevator serving all three levels, ensuring effortless accessibility throughout the six bedrooms and five and a half bathrooms. The finished basement expands the living space significantly, offering a large recreation room with a wet bar and a dedicated gym, flex space or additional bedroom. Ample storage makes it perfect for long-term guests or recreational needs. Upstairs, three additional spacious bedrooms each feature direct bathroom access, centered around a the laundry room for ultimate convenience. Enjoy being minutes from the heart of Downtown Raleigh. This home combines energy-efficient features with high-end finishes to create a living experience that is as sustainable as it is beautiful.
