Description

A showstopper! Elevated living meets effortless entertaining in this stunning corner-lot home in The Grove featuring high-end appliances throughout. From the moment you step inside, the soaring ceilings and dramatic open-to-above living room create a true “wow” experience - perfect for hosting and entertaining. The upstairs loft overlooks the main living space, adding a sense of luxury rarely found at this price point. The open-concept design flows seamlessly into a stylish kitchen with island seating, ideal for gatherings. A spacious main-level primary suite offers a private retreat, while upstairs bedrooms and flex space provide versatility. Enjoy morning coffee on the cozy balcony or unwind on the patio below, surrounded by a generous yard. All of this in a location that’s incredibly hard to beat - just minutes from the Walmart AMP, Topgolf Rogers, premier shopping, dining, and trails.
