Description

Welcome home to this beautifully updated 4 bedroom, 2 bath bi-level home offering space, style, and functionality inside and out! The open living and dining area features gorgeous hardwood flooring and flows into a stunning kitchen complete with granite countertops, tile backsplash, gas range, and plenty of cabinet space. The upper level offers 3 spacious bedrooms, including 2 with custom built-in closet systems for added organization and convenience. Downstairs, you'll find a renovated lower level featuring an additional bedroom, full bath, laundry area, and a cozy den/living space perfect for guests, a home office, or multi-generational living. This home offers incredible storage options both inside and outside. Enjoy relaxing evenings on the screened deck overlooking the fenced backyard complete with a firepit area and 2 storage sheds. Major updates, including the HVAC system and renovated lower level, provide peace of mind and added value.
