Description

Beautiful one level living with numerous updates! 3 bedrooms on the main level with one full bath. Chefs kitchen includes stainless steel appliances, gas range/hood, butcher block counter tops, farmhouse sink, separate pantry, and modern soft close white cabinets. Hardwood floors throughout the main level with an abundance of natural light and ample storage. Finished lower level with In-law suite or rental potential. Lower level includes a full kitchen, family room, spacious bedroom with egress window, extra large closet, flex space, and three quarter bath. Closets have custom organization system with Barn Doors. New window treatments and landscaping. New water heater in 2025. Fenced in yard, and radon mitigation system in place. Minutes from trails, green spaces, restaurants, North Memorial Hospital & Theodore Wirth Parkway, many parks, public transportation, and easy access to Downtown Minneapolis. See supplements for additional updates and amenities.
