Description

Stunning new construction in the heart of Uptown! Built by reputable builder ICON Homes with 20 years of building experience in Minneapolis. Incredible curb appeal in this 2-story home. Extremely energy efficient, utilizing ICF foundation (Insulated Concrete Forms), upgraded windows, and LP Smartside siding. Home features an open concept, a main-floor half bath, and an office with built-ins. Eat in the kitchen and formal dining room, and an incredible living room with built-ins on each side of your gas-burning fireplace. Dim the lights in the winter and cozy up to your gas-burning fireplace. Many of the rooms have dimmer switches for lighting. High ceiling on the main level and in the basement. Hang out in the basement, living with a built-in wet bar. Upstairs primary bedroom features dimmer lighting, a tray ceiling, walk in shower. Oversized 2-car garage. Just blocks to the vibrant Lake Bde Maka Ska, a short walk to the beautiful Lake of the Isles. Tons of restaurants, shopping, and entertainment options all within walking distance!
