Description

Under contract-accepting backup offers. Looking for a large, beautiful, move-in-ready pool home on a golf course where all the expensive updates have been completed? Look no further because you'll fall in love with this gorgeous Northdale home. Situated at the northern end of the community on a nearly quarter-acre, non-flood zone lot, this home features 4 bedrooms + bonus room + office, 3.5 baths, an oversized 2-car garage, huge private pool and nearly 3,000sqft of living space, all looking out towards the green of the 4th hole of the Northdale Golf Course. Upon arriving, you'll find an oversized brick paver driveway with plenty of room for extra parking, carefully manicured landscaping and a brick/siding exterior that gives the home a northern feel. Upon entering the custom leaded-glass front door, the spacious foyer opens to a formal living room with vaulted ceilings and oversized windows. Throughout the home, you'll find real hardwood floors and ceramic tile floors in all wet areas - no carpet anywhere. The living room connects to a large dining room that also includes French doors out to the massive screened lanai and private pool. Adjacent to the dining room is the large kitchen, complete with quartz counters, updated appliances, tons of wood cabinets, island, breakfast bar and even space for a small casual dining table with pool views & access to the lanai. Just past the kitchen is the large family room with a wood-burning fireplace and beyond is a cozy home office/library area - perfect for working from home while enjoying pool and golf course views. The best feature of this stunning home is the 1,400+sqft screen enclosed lanai with brick pavers and a large outdoor private pool, completing the perfect Florida outdoor entertaining space. Back inside you'll find a half bath and the 1st floor primary suite. Enter through French doors and you'll find a spacious primary suite with a large walk-in closet. The primary bath includes split vanities, a Jacuzzi tub and separate walk-in shower. A convenient laundry room (washer & dryer included) leads to the side-entry 2-car garage. Head upstairs to the bonus room (possible 5th bedroom) and the remaining 3 large bedrooms and an additional 2 full baths. The 2 bedrooms at the back of the home each have access to a 2nd floor screen-enclosed balcony for more outdoor living space. These 2 bedrooms share a Jack-n-Jill bath with dual vanities and a tub/shower combo. The 3rd full bath is adjacent to the 4th bedroom and includes quartz counters and a tub/shower combo. Numerous updates include hurricane impact windows, 2024 roof, 2025 HVAC, new water heater, hurricane generator hook-up (portable generator included), updated Rainbird irrigation system & more! Northdale is a well-established community in Tampa that is close to plenty of shopping, dining and easy access to Dale Mabry and the Veterans Expressway. With an optional HOA and nearby Northdale Golf & Tennis Club, this beautiful home is just waiting for its new owners!
