Description

Price improvement! Motivated sellers. This custom built home offers the perfect opportunity to live just minutes away from the Chesapeake Bay Bridge and Route 50, offering partial water views and a layout designed for both everyday living and effortless entertaining. The main level features 12 foot ceilings and oversized 6 foot windows that create bright, open living spaces. A vaulted morning room transitions seamlessly into a sunroom, providing flexible space for dining, relaxing, or working from home. The gourmet eat-in kitchen offers granite countertops, a substantial center island, pantry, and an open-concept design that opens into the family room and sunroom. The primary suite is generously sized, featuring a tray ceiling and a well-designed bath with custom tile shower and double vanity. The remaining four bedrooms share two jack-and-jill style bathrooms offering convenience for family and guests. Outdoor living is equally appealing, with an 800-square-foot wraparound deck ideal for entertaining. The property also offers space for a potential in-ground pool (buyer to verify with Planning & Zoning). Additional features include custom hardwood and tile flooring run throughout, tailored Roman blinds and wood shutters, new HVAC system, finished garage, and dedicated laundry room with new washer, dryer, and utility sink. A rare 1,820-square-foot crawl space with 4-foot ceilings, finished concrete floor, and indoor access provides plenty of additional storage. Built by local builder Lacrosse Homes with numerous upgrades, this well-maintained home offers immediate value in one of the most popular areas on the Eastern Shore - all with no HOA.
