Description

Custom quality meets coastal convenience in this stunning new construction home by local favorite Grand American Homes. Situated on a spacious .26-acre oversized lot in an established neighborhood, this all-brick, one-story residence is designed with a high-end feel that far exceeds standard builder grade. The interior showcases premium finishes including quartz countertops throughout, soft-close cabinetry, and durable LVP flooring with no carpet. The gourmet kitchen is a chef's highlight, featuring a custom backsplash, ample storage, and a gas appliance package with a gas range and side by side fridge. The split floor plan offers 4 bedrooms and 3 full baths: a spacious primary suite with a walk-in closet, tiled shower, and soaking tub; two bedrooms sharing a bathroom; and a 4th bedroom with a private en-suite bath. Enjoy the covered front or back porches. Peace of Mind: Includes a 1-year builder warranty, 10-year structural warranty, and a 1-year termite bond.
