## Description

Experience refined split-level living in this beautifully renovated all-brick split-level in sought-after Farmingdale Terrace, where timeless construction meets elevated contemporary design. Set on an oversized, approximately 11,761-square-foot lot on a quiet, tree-lined street, this exceptional residence offers the comfort of an established neighborhood with the feel of a newly reimagined home. Sunlit interiors showcase new oak floors, extensive moldings, updated windows, designer lighting, and custom-tiled baths, while the stunning kitchen is appointed with quartz countertops and backsplash, custom cabinetry, and a generous pantry with roll-out shelving. A spacious family room anchored by a brick fireplace opens effortlessly to the backyard, creating an inviting setting for both everyday living and sophisticated entertaining. Outside, enjoy a large concrete patio, garden, backflow irrigation system, and a spacious shed. With five bedrooms, including one in the finished basement, 3.5 baths, a dedicated laundry room, abundant storage, a concrete crawl space, and a finished 2-car garage, this move-in-ready home pairs thoughtful luxury with exceptional functionality, all moments from parks, schools, shopping, and expressway access in one of Darien's most desirable communities.
