Description

A unique country estate consisting of three buildings dating back to the 19th century, with a large walled garden and a short drive from the beaches of the west coast. Located in a quiet and traditional village close to the beaches of Paramonas and Agios Gordios, this picturesque estate is full of character and charm. The property has been sensitively renovated to ensure all original features are retained, however some maintenance is now required. The estate comprises of three buildings - Main House - Spread over two floors and measuring 245m², this building has five rooms, three bathrooms, a large country kitchen with access to the garden, as well as a large attic space. Olive Press - A large 230m² building with an olive press on the ground floor, as well as a bedroom with fireplace, kitchenette and a shower room. Upstairs is one large room with multiple windows offering views over the village and the hills, as well as attic space above. Dependence - The smallest of the three buildings, offering a total of 80m² of living space. It is currently divided into two separate unfinished studios, each with a kitchenette, fireplace, bathroom and large mezzanine area. The gardens surrounding the property offer a variety of established trees and shrubs, as well as numerous fruit trees and vines. The main village of the area is located a short 3km drive away and offers a small selection of shops, bakeries, cafes and restaurants open year-round.
