Description

Nestled at the end of this mature tree-lined cul-de-sac on .86 acre, this expansive 5-bedroom plus office residence offers a masterclass in versatile living. The interior has been thoughtfully refreshed with newly refinished hardwood floors and a crisp, modern paint palette, ensuring a seamless move-in experience. A dual-sided fireplace, elegantly connects the formal living room to an inviting sunken family room. Culinary enthusiasts will gravitate toward the oversized white kitchen, boasting abundant cabinetry and a bright breakfast room. Beyond the glass, a private deck with a retractable awning provides a serene transition to outdoor entertaining. Key Highlights- Versatile Spaces: A massive first-floor bonus room is ready for a private guest wing or a home cinema. Included in this wing is a spacious first-floor bedroom and a full bath. Expansion Ready: The 1800 square foot walk-out basement offers a blank canvas for an in-law suite or the ultimate recreation hub. Modern Essentials: First-floor laundry, dedicated home office, and generous proportions throughout. Spacious and private: enjoy the beautiful views from every window and a backyard that borders protected woods.
