Description

Set within the exclusive enclave of Mizner Lake Estates-located inside the iconic Boca Raton Resort & Club-301 Mizner Lake Estates Drive is a private Tuscan-inspired estate defined by timeless architecture and refined detail. The main residence offers 3 bedrooms, 4 full and 1 half bathrooms, along with a dedicated office, formal dining room with a seamless transition into the kitchen, and an elegant sitting room centered around a fireplace. Soaring ceilings, hand-applied Venetian plaster walls, and a blend of marble and wood flooring create a warm yet sophisticated interior, complemented by statement crystal lighting throughout. Dual primary bathrooms and a private wine room further elevate the living experience. A detached one-bedroom guesthouse provides added flexibility, while the outdoor spaces are designed for both entertaining and quiet moments-featuring a screened patio with summer kitchen, a tranquil courtyard with fountain just off the dining room, and lush, manicured landscaping that enhances the home's sense of privacy. Additional highlights include impact windows and doors, integrated Sonos audio, a gated entrance leading to an expansive driveway, and a three-car garage. Positioned behind a double-manned guard gate and just minutes from the ocean, Mizner Park, and Boca Raton's finest dining and shopping, this is a rare offering within one of the city's most legendary and sought-after communities.
