Description

This five-bedroom, 5.1-bathroom house is situated on an approximately 0.81-acre lot. The sizable, level lot features a circular driveway, providing ample parking and easy access to the property. This single-story ranch-style home offers generous living space and versatile floor plan options to accommodate a variety of household needs. The expansive primary bedroom suite includes an en-suite bathroom. The additional four bedrooms provide flexibility for use as dedicated living, sleeping, or work areas. The open concept layout allows for seamless flow between living, dining, and kitchen spaces, fostering an inviting atmosphere for daily life and entertaining. Large windows throughout the home bring in an abundance of natural light, creating a bright and airy ambiance. Situated on an approximately 0.81-acre lot, this property offers a sizable outdoor living area with the potential for customization to suit individual preferences and needs. The level lot provides ample space for various activities, landscaping, or additional structures, if desired. Home is Sold As-Is
