Description

Unlock the door to endless possibilities with this spacious 5-bedroom, 2-bathroom split-level home, ideally located on a generous lot in one of Middletown's most coveted neighborhoods. The interior is a canvas awaiting your vision. Featuring a versatile multi-level floor plan with a unique 3rd floor layout perfectly suited for a primary retreat. Outside, the expansive backyard serves as a private oasis with room for a pool, patio, or future expansion. Enjoy the quintessential Middletown lifestyle with local playgrounds and top-rated elementary school just moments away. The close commute to the train, ferry and the vibrant scene of Red Bank makes this location unbeatable. This is an opportunity to invest and renovate or create your own and make memories for years to come. Sold as-is.
