Description

Hard-to-find 4-bedroom home on a -acre lot in the heart of Grove City offering 2 full baths and 2 half baths with a flexible layout and numerous recent updates. The entry-level bedroom with half bath is ideal for a home office, guest suite, or in-law space. Updated laminate flooring runs throughout most of the main level. The spacious great room features crown molding, wainscoting recessed lighting, and abundant natural light. The kitchen offers ceramic tile flooring, updated stainless appliances, ample cabinet and counter space, and a spacious eat-in area. A family room with wood burning fireplace provides an additional main-level living space along with entry-level laundry and a second half bath. Upstairs you'll find the primary suite with a fully updated private bathroom along with additional spacious bedrooms. The basement offers abundant storage and a finished area perfect for a recreation room, man cave, or play space. Recent updates include fresh paint throughout, updated interior doors and hardware, added attic insulation, new furnace (2025), new water heater (2024), and all new high-efficiency toilets. Outdoor living shines with an 800 sq. ft. paver patio with fire pit overlooking the large fenced backyard lined with mature trees at the rear and backing to Mulberry Run Creek, creating a great space for entertaining or relaxing. Located within walking distance of Grove City High School and just minutes from shopping and dining along Stringtown Road with easy access to Buckeye Parkway and Interstate 71. Rare opportunity to own a 4-bedroom home with entry-level bedroom space on a half-acre lot in Grove City.
