Description

Welcome home to this beautiful, completely turnkey property offering the perfect blend of modern upgrades and effortless suburban convenience. Situated on a generous 50x100 lot, this inviting, ready-to-move-in residence features 3 spacious bedrooms, 2 full bathrooms, and an impressive large walk-in closet. The updated interior boasts recently restored hardwood flooring and fresh paint throughout, all kept perfectly cool by a newly installed central AC system. Beyond the primary bedrooms, two versatile bonus rooms offer the ultimate flexibility for a dedicated home office, cozy study spaces, or guest accommodations. Perfectly positioned on a peaceful street in a highly desirable, quiet Belleville neighborhood, this home offers a serene retreat while still ensuring an effortless commute to New York City with quick access to local public transportation options, including nearby NJ Transit bus routes and train stations. Enjoy the close proximity to beautiful local parks, scenic green spaces, and vibrant community spots, while everyday errands are a breeze with premier shopping, diverse dining, and local conveniences just minutes away.
