Description

Wonderful 4-bedroom, 2-bath pool home with a beautiful outdoor pergola, tucked away in a quiet neighborhood. This welcoming home is just waiting for the right buyer to say "yes!" Built in 2018, this spacious 2,339 sq. ft. home offers plenty of room for family and friends to gather and make lasting memories. The inviting eat-in kitchen overlooks the pool area, creating the perfect space for everyday living and entertaining. The pool also features an in-ground spa, giving you plenty of space to relax and unwind. The roof was replaced after Hurricane Ian, and the home is located outside of a flood zone for added peace of mind. A two-car garage and inside laundry room make daily living convenient and comfortable. Additional features include a separate dining room and a private primary suite with a huge walk-in closet, thoughtfully located away from the other three bedrooms. Don't miss this wonderful opportunity to make this beautiful home your own!
