Description

On a premium location in Christina Villas, one of Grove City's most established desirable condo communities is this stunning 3BR 2BA ranch condo w full basement & 2 car attached garage. Extensive, high-end renovation & redesign by the current owners, this home is a true one of-a-kind. Incredible pride of ownership is evident in every detail, highlighting uncompromising craftsmanship & superior products. The open floorplan has spectacular cathedral ceilings in the Great Room, Kitchen, Eating Space & Bedrooms. Rosati windows, Merillat cabinets, Bosch d/w, CORE Tec flooring, all choices any homeowner will appreciate, choices of the Owners, as professional remodelers. The front Paver Patio was redone in 22, a beautiful place to relax and an impressive entry to your home w views of nature beside a wooded greenspace. Total redesign of the Owner's Bath features a waterproof Schluter shower system and floor with zero threshold entry, w added Merillat cabinets and quartz countertop. The walk-in shower is unequaled, w glass partition, ceramic tiled floor & surround, Pulse rain shower system w eight inch overhead rain shower head and adjustable slide hand shower, w shelf, grab bars, all w wider than normal entrance. Kitchen with it's own Eating Space is outstanding, w granite countertops, all cabinets have pull-outs, Kohler Farmhouse stainless steel sink, tiled backsplash, and under cabinet lighting. Stainless steel appliances for the next Owners includes a GE Cafe Dual Fuel range, gas cooktop with electric convection oven. The 3 Season Room, off the Great Room, is an excellent place to grab a cup of coffee or meal, while enjoying nature's beauty. Rear concrete patio also. Remodeled Utility Room has First Floor laundry, utility sink, added cabinets, pantry storage and undermount lighting. Full basement could provide additional living space if desired, or as much storage as you could ever want, with painted floors and walls. Perfectly conditioned!!
