Description

From the moment you step inside, you'll appreciate the soaring vaulted and 9-foot ceilings and the spacious, light-filled layout designed for the way you live. The expansive kitchen is the heart of the home, featuring abundant cabinetry, a walk-in pantry, a large dining area, and a breakfast bar perfect for busy mornings or gathering with family and friends. Enjoy multiple living and dining spaces that offer endless flexibility, including a formal living area that can easily serve as a home office. The inviting main-level living room flows seamlessly into the kitchen, creating an ideal setting for everyday living and entertaining. The private primary suite is a relaxing retreat complete with dual vanities, a walk-in closet, a separate shower, and a jetted tub. Upstairs, the oversized game room offers even more possibilities and could easily function as a fifth bedroom, media room, or additional living space. Outside, unwind on the covered patio overlooking the spacious backyard that sits beside a large HOA greenbelt providing added privacy. An oversized utility room with abundant storage and an oversized two-car garage offer the functionality today's buyers are looking for. Conveniently located near shopping, dining, schools, and entertainment, this home offers the space, flexibility, and location you've been searching for. Opportunities like this don't come along often—schedule your private showing today and imagine making this home your own.
