Description

Extremely spacious three bedroom apartment in a quiet area with stunning sea views Albufeira Albufeira e Olhos de Água Cerro Grande This great apartment which has undergone much updating is distinguished by its elevated location and spacious, bright living areas which open to a large, glazed in terrace with fabulous ocean views across the rooftops of Cerro Grande. The kitchen has been totally renovated and equipped in modern galley style. The property has three very good sized bedrooms one of which is ensuite, plus a family bathroom with bath and shower. Inserted in the prestigious Moinho complex, this property benefits from a unique setting, marked by the presence of a windmill classified as historical heritage, which gives charm and authenticity to the place, combined with stunning views of the sea. Owners, their guests or rental customers may purchase a seasonal or daily pass from the (communal) pool owners. The location provides easy access to beaches, the marina, restaurants, cafés, and essential amenities, while remaining in a peaceful, elevated setting. An excellent opportunity, ideal for both investment and residence. At Cerro Novo, we pride ourselves on helping our clients find properties that match their lifestyle and goals. With more than 40 years of experience in the Algarve real estate market, we offer professional monitoring, deep market knowledge and personalized service at all stages of the process, ensuring a safe, smooth and excellent experience. - REF: CN10713
