Description

Move-in ready and loaded with major upgrades, this 5 bedroom, 2 bath home delivers comfort, flexibility, and true peace of mind. The kitchen dazzles with updated cabinets, a stylish tile backsplash, and brand new stainless steel appliances. A brand new furnace and central air conditioning system make this home virtually maintenance-free from day one. The partially finished basement adds great recreation and storage space, while the large fenced yard is perfect for your four-legged family members.
