## Description

Come home to a rare jewel nestled within the heart of the City's historic district and proudly listed on the National Registry of Historic Places as the M.G. Merritt House. This is a residence of true soul and substance, meticulously restored rather than renovated, to preserve the architectural integrity. The property greets you with a magnificent, oversized enclosed front porch that leads into an interior defined by exquisite original woodwork, period fixtures, and stunning leaded glass details. Practicality meets historic charm with a functional back staircase and remarkably oversized bedrooms with ample closets. This property offers a unique opportunity to own a piece of living history, combining the irreplaceable character of the early 1900s with the mechanical peace of mind required for contemporary life.
