Description

This extraordinary direct oceanfront penthouse offers a scale, position, and level of opportunity rarely available in today's market. 6,584 sf of interior living space and 2,884 sf of terraces with uninterrupted Atlantic Ocean views to the east and sunset vistas over Indian Creek and the Miami skyline to the west. This penthouse lives like a private oceanfront estate in the sky. Expansive entertaining spaces, oversized bedroom suites, and floor-to-ceiling exposures create a dramatic canvas craft one of Miami Beach's truly iconic residences. Fully permitted design plans are included, offering a seamless path to modernization and customization while preserving the property's rare scale and irreplaceable footprint. The residence is situated within one of Mid-Beach's most substantial oceanfront enclaves, spanning multiple beachfront acres along a coveted stretch bordered by the Atlantic Ocean and Indian Creek. The building is nearing completion of an extensive transformation tied to its 40/50-year recertification, enhancing the property's long-term quality, safety, and stature. Recent upgrades to the residence itself include brand-new hurricane-impact windows throughout. Enjoy a full-service lifestyle with 24h concierge and valet, a designed pool deck, fitness center, cabanas, outdoor entertaining areas, and private beach access with dedicated beach service. Maintenance includes all utilities. The offering also includes same-floor storage and two assigned garage parking spaces.
