Outdoor enhancements continue to impress with a Trek deck and rails, refreshed lower deck, 8 person hot tub added, updated front exterior railings, new basement exterior door, new gutters, downspouts, fascia, and siding. A backyard Tough Shed with loft provides excellent additional storage. A wooden playset was added in 2022. The updates keep going-new interior doors and light fixtures, a beautifully remodeled main bath (tub, vanity, and toilet), new water heater, and new garage door, door opener, and track (2022). The fully remodeled basement (2024) features LifeProof flooring and a custom wet bar-perfect for entertaining.
