Description

Beautiful and spacious 5 bedroom, 4 bathroom home offering approximately 3,354 sq ft of living space on 0.49 acres in the sought after Brookside Estates community, known for its highly regarded school district. Designed for both everyday living and entertaining, this home offers exceptional scale, comfort and versatility. Tall ceilings and an open layout create a strong first impression, leading into a dramatic two story family room filled with natural light and anchored by a gas fireplace. The space feels both grand and inviting, ideal for gathering and relaxing. The large kitchen offers generous workspace and room for casual dining and entertaining, seamlessly supporting both daily routines and special occasions. A flexible first floor bedroom or office is ideal for guests or working from home. Four bathrooms provide convenience throughout, while the finished basement expands the home's living space with endless possibilities for recreation, media or fitness. Set on nearly half an acre, the property features a large patio and expansive outdoor space, along with a dedicated basketball area with an in-ground hoop, perfect for recreation and outdoor enjoyment. Additional highlights include a 2 car garage and a layout designed to adapt to today's lifestyle needs. Ideally located close to places of worship, parks, the public library and in close proximity to the grammar school, this home offers both convenience and community connection. A rare opportunity to own a home that combines space, functionality and location in one of the area's most desirable communities.
