Description

Experience panoramic golf and lake views from this rare corner residence in Aberdeen Golf & Country Club. Designed for natural light and seamless indoor-outdoor living, this home features oversized windows, elevated ceilings, and a glass-enclosed lanai that creates a year-round space to relax & enjoy the scenery. The open kitchen is positioned to capture the tranquil fairway, 8th hole, & water views, complete with quartz countertops, white cabinetry, & a spacious breakfast bar that flows into the main living area. The primary suite offers a large walk-in closet & picturesque views. Hard flooring runs throughout with no carpet, creating a clean & low-maintenance interior. Recent updates include a brand new A/C, hot water heater, and stacked washer & dryer. First-floor access & parking directly in front of the unit add everyday convenience, with guest parking nearby. The building has also been recently painted & features a newer roof. Located within exclusive Aberdeen Golf & Country Club, a mandatory membership community, residents enjoy access to Jim Fazio-designed golf course, tennis, pickleball, resort-style pools, a state-of-the-art fitness and aquatics center, and multiple dining venues. A vibrant social calendar creates an active, connected lifestyle. Situated within an A-rated school zone & set across 1,400 acres of beautifully maintained grounds, Aberdeen offers a rare opportunity to enjoy true country club living at a compelling value in Palm Beach County.
