Description

Where else can you work from home, hop on a golf cart for a sunset tee time, grab pizza at the clubhouse, and still make it back in time to enjoy your covered patio before dark? This 3-bedroom, 2.5-bath home with a dedicated office sits on a rare double lot just 0.3 miles from the Highlands golf course and clubhouse, blending everyday comfort with a little bit of “vacation mode.” Oversized windows fill the home with natural light, while the flat, fenced backyard offers the perfect setup for pets, play, gardening, or backyard gatherings. The sprinkler system keeps everything green while you focus on more important things — like deciding between golf, grilling, or one more drink on the patio. Conveniently located near I-49 for an easy commute, this home delivers space, sunshine, and golf cart freedom all in one unforgettable package.
