Description

Mountain Views, Modern Comfort & Exceptional Family Living in Prime Riebeeck West Situated in one of the most sought-after streets in Riebeeck West, this exceptional 4-bedroom family home offers breathtaking views of the majestic Kasteelberg mountains while overlooking the charming village below. Designed for comfortable family living, the property boasts spacious interiors, a double garage with additional workspace, and the added convenience of direct access from the garage into the home. The expansive erf stretches from street to street, offering extra space, privacy, and excellent accessibility. The property also includes an outside toilet as well as additional storage space, ideal for safely keeping all your garden tools and equipment neatly stored in one place. A borehole on the property adds further value and practicality, especially for maintaining the garden and outdoor spaces. This home is equipped with solar panels and battery backup, ensuring peace of mind and uninterrupted living during power outages. With its spectacular setting, generous layout, and practical modern features, this is a rare opportunity to own a beautiful family home in one of the most desirable locations in the Riebeeck Valley. Disclaimer: All descriptions, whether digital or printed, represent the professional opinions of Seeff and its employees, based on information provided by the seller. Prospective buyers are advised to view the property personally to form their own conclusions. While we strive for accuracy, all measurements, dimensions, and floor plans must be independently verified before entering into any financial commitments. Seeff has not tested any services, appliances, or heating/cooling systems; therefore, we give no warranty or guarantee regarding their working order.
