Description

Set along historic White Oak Ridge Road, this truly unique home offers something refreshingly different; genuine character, privacy, and a sense of history just outside Manhattan. With origins believed to date back to around 1709, it carries a story that simply can't be recreated. Thoughtfully expanded over time, the residence blends its historic charm with modern comfort, featuring 5 bedrooms, 5 baths, and a finished basement, with generous, welcoming spaces designed for everyday living. What truly sets it apart is both its individuality and its setting. Tucked well back from the road, the home opens to a spectacular, private backyard retreat, complete with an inground pool, outdoor kitchen, firepit, and gazebo; perfect for entertaining or simply unwinding in total seclusion. Located in one of Short Hills' most sought-after neighborhoods, it offers the best of both worlds: peaceful surroundings with easy access to Millburn's vibrant downtown, top-rated schools, and direct trains to New York City.
