Description

Welcome home to your completely updated, meticulously maintained and turn key, all block single story home in the heart of it all. This home was never flooded during either storm, and located in Beach Park, one of the best neighborhoods in South Tampa. Whether you want to go walk on Bayshore Boulevard, grab dinner in downtown Tampa, take a drive to the beaches, or run to the many grocery stores minutes away, this location is it. This three bedroom, two bathroom home with a large two car garage with storage and over 1,600 square ft, this home truly has the best floor plan and has so many upgrades throughout with many built in features. This home has timeless and thoughtful updates throughout including beautiful tile adorning the floors throughout with luxury vinyl in the bedrooms, newly renovated bathrooms, custom built pantry storage in the kitchen, Newer paint, newer plumbing faucets, cabinet hardware, and lighting fixtures throughout, newer stainless steel appliances (refrigerator with special ice feature, microwave, range/oven with air fry option, beverage fridge) are all under 3 years old, and can be controlled via app to make life easier. As you step inside, natural light pours in all directions, and this floor plan has so many options with its current function to be two different spaces between when you walk into the living room and kitchen, separated by drywall which can be easily removed if someone would want to make it more of an open concept living space for larger entertainment options. All three bedrooms and bathrooms are located in the back of the home with so much privacy and all include custom closets in each of the rooms. As you step outside, you'll find your private covered porch which overlooks a massive backyard which is fully fenced perfect for entertaining. Located in A+ School district, minutes from Tampa International Airport, quick access to I275, I-4, and Veterans Expressway.
