Description

Experience the rare opportunity to own a truly one-of-a-kind luxury log estate nestled on 2.6 private wooded acres within one of Chanhassen's most desirable neighborhoods. Offering 6 bedrooms, 6 bathrooms, a heated three-car garage, and approximately 6,340 square feet of living space, this extraordinary lodge-style residence blends authentic craftsmanship with refined modern comfort and design. From the moment you step inside, the warmth and character of the handcrafted log construction create an unforgettable impression. Soaring ceilings, expansive windows, skylights, and light-filled living spaces provide the perfect balance of grand architectural presence and everyday comfort. Designed for both entertaining and multi-generational living, the home offers exceptional flexibility with spacious gathering areas, private retreats, home office potential, and a main-level owner's suite. The walkout lower level is ideally designed for entertaining and recreation, offering abundant space for hosting family and for guests alike. Outside, mature trees and beautifully wooded surroundings create a peaceful, retreat-like setting rarely found within the metro area. The home's mechanical systems and amenities have been thoughtfully updated, including a new dual-tank water heater, new water softener and purification system, and a custom whole-home Wi-Fi entertainment system. The heated garage features epoxy floors and a thermostat-controlled gas heater. This exceptional property offers a rare combination of timeless elegance, privacy, acreage, and luxury log home living - all just minutes from highly regarded schools, shopping, dining, and the many amenities of the desirable Chanhassen community. A truly unforgettable year-round retreat and must-see residence.
