Description

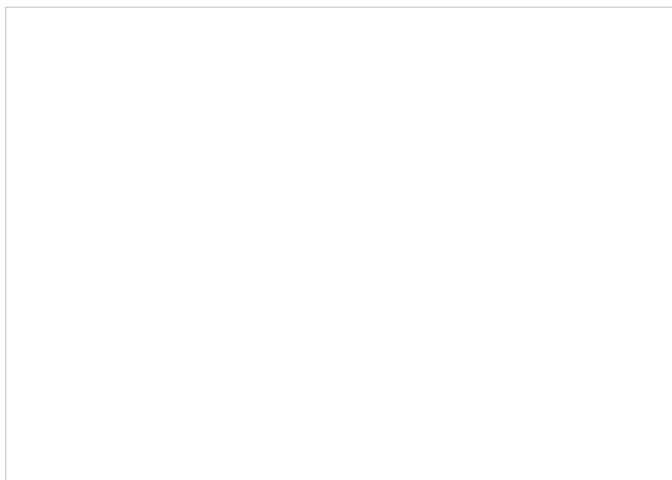

Value abounds in this lovely townhome. Just "take a gander" at the pictures with the handsome staging! Entering the foyer, you immediately see the fresh space throughout with the open floorplan, kitchen with center island overlooking the living space, and powder room. The coordinating quartz countertops enhance the decor along with being durable and functional. The light wood-look LVP flooring anchors the entire first level. Continue out back to the private lawn space with patio. Upstairs is the primary suite with walk-in closet and bath with double sinks and large shower with glass doors. The additional two bedrooms share the second bath. Smart home technology is a plus, as is the lawn maintenance covered by the HOA...easy living! There is a one-car garage and drive with double parking pad. Don't miss out!
