## Description

Pool ready lot! Custom-built and spanning 4,465 square feet, this thoughtfully designed and updated home offers hardwoods throughout and a bright, open floor plan ideal for modern living. The main level features a private guest suite with hardwood flooring, a custom double-door closet, and a triple window with transoms that fills the space with natural light. The well-appointed kitchen is the heart of the home, showcasing a large center island with barstool seating, quartz countertops, and a Thermador 5-burner cooktop with tile backsplash. Seamlessly connected, the butler's pantry features glass display shelving and leads to a spacious walk-in pantry for exceptional storage. The kitchen flows effortlessly into the dining room, highlighted by an accent trim wall and double windows with plantation shutters. A generous breakfast room offers walls of windows and a tongue-and-groove ceiling with accent beams, creating a warm and inviting gathering space. The open family room is anchored by a tile-surround direct vent fireplace with a custom mantle, flanked by built-ins with display shelving and transoms. A glass door leads to the screened porch with a louvered wall, extending to a paver patio and overlooking the fenced backyard--perfect for outdoor living and entertaining. Upstairs, the spacious primary suite offers a true retreat, featuring four single windows with window treatments, a ceiling fan with light kit, and recessed lighting. A barn-style sliding door leads to the luxurious primary bath with 12"x36" brick-laid tile flooring, dual vanities, a freestanding soaking tub, and a large walk-in shower with tile surround and multiple shower heads. An accent trim wall adds a custom designer touch. The finished third floor provides additional flexible living space with hardwood flooring, charming window bench seating, and a private bath featuring a large tile-surround walk-in shower with a built-in bench--ideal for a guest suite, bonus room, or home office. Additional highlights include a fenced backyard with irrigation, energy-efficient open-cell spray foam insulation in the roof deck, and a tankless water heater, offering both comfort and efficiency in this beautifully appointed home.
