Description

Welcome to this custom single-story home proudly owned and meticulously maintained by its original owner, truly showcasing pride of ownership throughout. From the beautiful wood shutters throughout the home to the RV parking, every detail has been thoughtfully cared for. Step into the backyard designed for entertaining and family fun, featuring a covered patio, sparkling pool with a rare diving board, and a built-in BBQ perfect for gatherings with family and friends. Inside, the spacious living room serves as the heart of the home, creating a warm and inviting main gathering space. The primary bedroom is privately situated on the east side of the home, while the secondary bedrooms are thoughtfully located on the west side for added privacy and functionality. One of the bedrooms has been converted into a sewing and craft room complete with abundant storage drawers and an organized walk-in closet, making it ideal for hobbies, creativity, or a flexible workspace. Centrally located and close to shopping, dining, parks, schools, and everyday amenities, this home offers comfort, character, and endless potential with so much more to appreciate in person.
