## Description

This is the one you've been waiting for! Welcome to 2732 Soho Lane, a beautifully appointed two-story home tucked into the coveted Madison Park neighborhood of Fairfield. With its warm stucco exterior, elegant clay tile roof, and signature rounded arched entryway, this home makes a striking first impression that only gets better inside. Step through the front door and discover upgraded hardwood flooring that flows throughout every room. There's not a square inch of carpet in sight. The open great room is bathed in natural light and looks out through sliding glass doors to your own private courtyard, a serene outdoor retreat with easy-care landscaping and plenty of room to personalize and make it your own. The kitchen is ready for the home chef, featuring granite countertops, stainless steel appliances, and a layout designed for both function and style. A convenient half bath rounds out the main living area. Upstairs, all three bedrooms offer privacy and comfort. The spacious primary suite is a true retreat, complete with a generous walk-in closet, a luxurious soaking tub, a separate shower, and dual sinks. Two additional bedrooms and a full bath complete the upper level. Out back, the attached two-car garage boasts a finished epoxy floor clean and ready for whatever you need. Madison Park is one of Fairfield's sought-after communities, built primarily between 2013 and 2016 and known for its modern homes, manicured parks, and walking trails. You'll appreciate the highly regarded Travis Unified School District, and the location simply can't be beat minutes from Travis Air Force Base and a short drive to the Fairfield/Vacaville Amtrak station, making this an ideal choice for so many reasons. Come see!
