Description

If your looking for a sign...THIS IS IT!! Meticulously maintained home in the Highly Desired Neighborhood of Windcrest. This one story home on large lot has a southerners dream backyard! Pool-Workshop-Screened In Back Porch is just waiting for your summertime party. Four Large Bedrooms and three full baths. A Separate Bedroom and Bath on the other side of the home makes a private suite for guests, MIL or adult child. The long Lasting Metal Roof, HVAC replaced in 2022 and both Water Heaters Replaced in 2026 plus the seller added new gutters, added insulation to the home and Upgraded electrical panel in the garage. All baths have been updated! Kitchen fully upgraded! Wood Floors in Living and Dining! Plantation Shutters give that high-end feel thru out! Laundry room so nice you won't mind doing the laundry either.
