Description

Welcome to this exceptional R&R Construction custom-built home in the Wayzata school district. This original model home showcases premium upgrades, elevated finishes, and thoughtful design throughout. Built in 2018, the quality and craftsmanship in this home make it an exceptional value compared to today's new construction prices. Perfectly positioned with a driveway on the cul-de-sac, the property benefits from minimal through traffic while offering one of the largest lots in the development. Backing up to the neighborhood pond, the setting creates a picturesque backdrop year-round, including winter months for skating and hockey. Designed for both luxury living and effortless entertaining, the open-concept main level features expansive windows, hardwood floors, designer details, and a stunning kitchen flowing seamlessly into the dining and living spaces. The home offers generous living areas, spacious bedrooms, and a luxurious primary suite. The lower level provides additional flexible living space perfect for a media room, bar, fitness area or guest room, and indoor sauna. Step outside to an incredible outdoor retreat complete with a two-tier deck, custom outdoor kitchen, and grilling station overlooking the backyard, ideal for entertaining or relaxing summer evenings. Situated in the highly desirable neighborhood, The Fields at Meadow Ridge, near parks, trails, shopping and dining, this home combines timeless design and custom quality for exceptional value in today's market.
