Every inch of the home has been thoughtfully updated with high-end finishes and designer details throughout. The beautifully remodeled kitchen showcases custom inset cabinetry, premium stainless steel appliances including a cooktop and wall oven/convection microwave, high-end Quartz countertops, and an oversized island with seating for four. The kitchen flows seamlessly into the spacious dining area, complete with a sliding glass door leading to the maintenance-free deck - perfect for indoor-outdoor entertaining. The inviting living room features White Oak hardwood floors, a cozy gas fireplace, and custom built-in bookshelves. The main-level primary suite offers a true retreat with a walk-in closet and a spa-inspired bathroom featuring a double vanity, Quartz countertops, storage tower, and oversized walk-in shower. Two additional bedrooms and a beautifully updated full bath with designer tilework. The functional mudroom includes built-in storage, closet space, and floating Oak shelves for additional pantry organization. The expansive lower level is designed for entertaining and everyday living, featuring a beverage center, custom entertainment wall with built-ins, large family room, and generous game/play area. Two additional bedrooms, a stylish bath with separate vanity area, laundry room, storage room, and a versatile flex space ideal for a studio, exercise room, or home office provide exceptional flexibility. Additional highlights include: Designer lighting throughout, New White Oak hardwood floors on the main level, New carpet throughout in 2026, Pella windows and Andersen sliding glass door and a New roof (2021). Step outside to enjoy the flat yard that would be a perfect candidate for a possible future pool. The pergola and concrete patio with charming bistro lights create the perfect outdoor ambiance for relaxing or entertaining. A charming "she shed" adds bonus space for a studio, clubhouse, or creative retreat. All set within the sought-after Wayzata School District and just down the street from Gleason Lake Elementary School.
