Description

This lakefront home is a TRUE 3 BEDROOM + OFFICE and features a BRAND NEW ROOF and thoughtfully selected upgrades throughout. The double-door entry opens to a spacious great room with large diagonal tile flooring, a custom-built office, designed for dual use, and includes elegant wood built-ins. The home offers 11-foot ceilings with crown molding throughout. The kitchen is equipped with granite countertops, tile backsplash, an undermount sink, 42-inch wood cabinetry, and a large pull-out pantry. A bay window nook overlooks the lake and screened patio-ideal for breakfast, lunch and/or dinner dining. The expansive master suite includes wood flooring, two customized walk-in closets, and a well-appointed bathroom with dual sinks, a soaking tub, and a separate shower. Additional features include accordion shutters, hurricane-impact protection on all but two windows, remote-controlled patio awnings, and a newer A/C system (approximately five years old).
