Description

Wow Wow Wow!! JUST REDUCED!! Seize the opportunity to own this wonderful single family with so much growth potential you have a head start with the brand new kitchen. Why settle for a condo or townhouse when you can be in a single family with a full basement, huge yard and parking for several cars. Your fur babies will love the privacy of their own space in this large level yard. The kitchen was newly renovated in February 2026, and the hardwood floors have just been beautifully refinished, giving the home a fresh, move-in ready feel. This charming 2 bedroom, 1 bath ranch also features an enclosed porch space perfect for relaxing, working from home, or enjoying your morning coffee. The property offers excellent potential for contractors or buyers looking to build up and expand, creating a great opportunity to customize or add future value. Ideally located just a short distance to Grover Cleveland Park and the center of downtown, making it easy to enjoy nearby restaurants, shops, and outdoor recreation. A rare opportunity for downsizers, first-time buyers, or anyone looking for low-maintenance living with outdoor space and future possibilities.
