Description

Move-in ready and well-maintained, this Sycamore Rocks home shows like a model. Enjoy peace of mind with major updates, including a brand-new roof, a 1-year-old septic system, and the HVAC and hot water tank both replaced within the last 6 years. The open floor plan features a beautiful stone fireplace, and the property offers great views of the surrounding mountains. Quartz countertops elevate both the kitchen and the primary bathroom, and the home includes a convenient indoor laundry room. This property is well-suited for commuters, offering easy access to growing regional job opportunities and nearby schools. This inviting home is truly turn-key—schedule your tour before it's gone!
