## Description

Welcome Home! You will fall in love with this beautifully maintained 3-bedroom, 4-bathroom home offering plenty of living space and a truly special setting to Dodge Nature Center. When you enter the main level you will find a large foyer, bright living room and dining room. You will also find a large eat-in kitchen with granite counter tops and an inviting family room with a gas fireplace. Hardwood floors flow from the foyer through the kitchen and family room. All three bedrooms are located upstairs, including a spacious primary bathroom. The finished basement adds even more flexibility with a large family room and a 3/4 bathroom - ideal for guests, recreation or work-from-home space. Enjoy the outdoors from the expansive deck overlooking the backyard, with nature trails and open green space just beyond. Recent updates include new carpeting, new driveway and new roof and gutters. Conveniently located near shopping, parks, and schools, this home offers the perfect blend of comfort, functionality and a sought after natural setting.
