Description

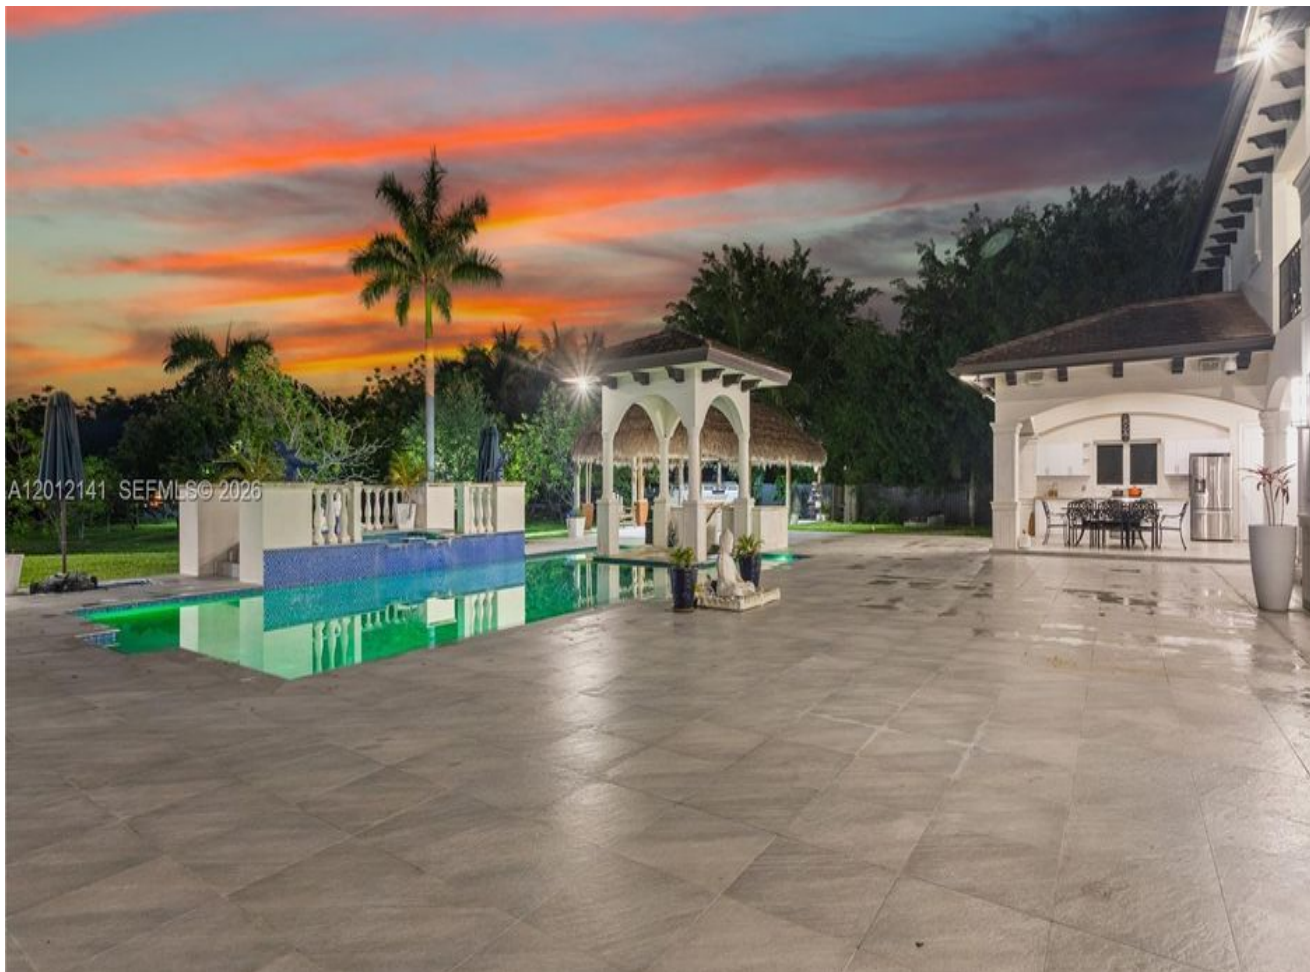

A secluded, gated estate in the heart of Horse Country, this nearly 2-acre property blends architectural artistry with resort-level living. Behind custom wooden doors, soaring ceilings and walls of impact glass set the tone for a home designed around light, scale, and connection to nature. With 12,804+ SF, the residence offers 8 bedrooms, 9 full bathrooms, 2 (1/2) baths, an elevator, dual staircases, and expansive terraces off every room. The chef's kitchen centers around a dramatic marble island and is complemented by multiple midnight bars and a full outdoor kitchen. The first level includes two bedrooms, two offices, a children's playroom/study area, theatre, and gym. Upstairs, six bedrooms and a private family room. The grand primary suite with dual walk-in closets, spa bath, and steam sauna. Outdoors, lush grounds surround an infinity saltwater pool with jacuzzi, waterfall, summer kitchen, and a full outdoor bathroom. The property is lined with an extraordinary collection of fruit trees-mango, soursop, avocado, dragon fruit, plantains, mamey, and more. Additional features include washers/dryers on both floors, a 3-car garage, ample parking, security system, and a newer flat tile roof.
