Description

St. Croix The sweeping panoramic view of the crystal-blue Caribbean Sea creates a spectacular backdrop from morning to evening in this solidly built home. An Island home perched on a hillside in the peaceful and secluded Catherine's Hope neighborhood on St. Croix's desirable East End. This 2-bedroom, 2-bath home is all about the view. The home includes a double lot that creates a sense of privacy and tranquility while remaining close to everything that makes island living so special. The open great-room design features high, open-beamed ceilings with 4 new skylights, and a combined living and kitchen area that embraces the surrounding tropical beauty. This home is easy to view on short notice.
